

*Help the Sisters
of St. Francis
build a home
in Aracias,
Honduras in
Central America.*

Sisters Brenda Whetstone (L) and Nancy Meyerhofer (center) welcome Erika.

A HEARTFELT THANK YOU FOR YOUR SUPPORT OF THE SISTERS OF ST. FRANCIS

Our Sisters Nancy Meyerhofer and Brenda Whetstone have been ministering in Honduras since 2005. The place where the Sisters are presently living is too small. It has a living room, a small kitchen and two small bedrooms. A young woman, Erika, is living with them to discern whether she has a call to religious life.

The name "Casa Betania" (Bethany Home) was chosen since this was the home of Jesus' friends, Lazarus, Mary and Martha. It was a place for Jesus to be welcomed and refreshed, a place of friendship and hospitality.

We need your help!

This home will have several purposes:

- A home for Sisters and women who seek to join the Franciscan way of life
- A house of formation for those who decide to join the community
- A space for retreats – either for individuals or small groups
- A space where Nancy can meet with counseling clients
- A place where volunteers from the US can stay while doing volunteer work
- A place where small base communities (or neighborhood groups) might meet.

The Sisters have written several grants in their search for funds. They also count on the donations of people like you who are willing to help make this dream come true.
